

Seabrook Island Garden Club

Whether you are an experienced gardener, or just someone who enjoys the beauty of the flora and fauna of our beautiful Island, we welcome you to the Seabrook Island Garden Club. The time has come to renew your membership or enroll for the first time for the 2025-26 year!

About the Garden Club

Our meetings are held on the **second Friday of each month from September through May, beginning at 9:30 am at the Oyster Catcher Community Center.** Our members enjoy visiting with each other over coffee and refreshments. The business meeting begins at 10:00 am followed by a special presentation. Each month we present unique programs that will pique your interest and inspire you to better appreciate our wonderful surroundings. Our Program Chairs have put together another year of interesting programs, followed by our end of year special Garden Club Luncheon in the late Spring.

2025-2026
